**The Coalition of Visionary Resources announces
Fourteenth Annual COVR Visionary Awards 2011**

The Coalition of Visionary Resources, COVR, is proud to announce that there were a number of outstanding entries received at the International New Age Trade Show (INATS) in Denver, Colorado at the 2011 INATS Banquet on June 25, 2011. Entries included books, oracles, jewelry, music, charms, health related products, web sites, and more.

The categories judged are print, music, websites, or sidelines and are submitted by the artists, creators, distributors, and publishers that represent them. They are items that were introduced in the calendar year of 2010.

All print, music, and website submissions are judged by five stores in the New Age and Visionary retail business while sidelines are judged by three stores. All results are exclusive knowledge of the Administrative Office of COVR until finalists are announced. Scoring values are never revealed.

The results of the 2011 Fourteenth Annual COVR Visionary Awards are attached.
